COMMUNITY FORMATION

Tuesday Chapel: Worship is being who God created and called us to be

We have the talented and amazing 3rd Year Pastoral Leadership Students leading us in Chapel this week. The theme for the service is Psalm 148.

Praise the Lord

Praise the Lord from the heavens; praise him in the heights above. ²Praise him, all his angels; praise him, all his heavenly hosts. ³Praise him, sun and moon; praise him, all you shining stars. ⁴Praise him, you highest heavens and you waters above the skies.

I love working at Carey. It is such a special place.

I started at Carey on the 1st June as the Programme Coordinator for Ministry Training.

I was so nervous, knowing I had big shoes to fill. I felt I had to be a whiz at this and savvy at that, and I started to feel exhausted and even a tad anxious.

Then it dawned on me. Why don't I just wear my own shoes. They fit me best, are the most comfortable and they even suit me. I wonder if you have felt intimidated by the shoes you think you need to wear, and forget the shoes you've been given to wear.

God has shaped you, he thought long and hard about you, and he knows what fits you best. Walk in his footsteps, wearing your shoes—no one else's. The you, God made, is the best you you will ever be!
