formation GROUP

tuesday

10.00 – 11.00am
Te Whare Oranga

Study can easily dominate your time at Carey. Important though study is, in the Formation Group we create some space to discern where God might be interacting with us, and to be open to anything he might want to show us. Doing this together as a group enables us to encourage and support one another as part of our Carey Community. For more information contact Rachel Roche at rachel.roche@carey.ac.nz
